

Hi Greg and Sheryl

Our party of 12 are now all back home safely after the great week we spent based in Clive at Gannet Cottage and exploring the area on your bikes.

The itinerary over the 3 days provided us with a really good variety of activity and sights. We were impressed with your professionalism in having the bikes and all accessories delivered and waiting for us at the cottage.

We enjoyed having you guide us through the first day to TeMata Peak and Havelock North, and were appreciative of your patience with the varying levels of fitness within the group. We were also very pleased to have you on hand to deal with the niggling puncture!

We all enthused about the Gannet tour on the tractor trailers – this is a real iconic trip with lots of fun, and we were fortunate to get a top afternoon weather wise to enjoy it.

We all agreed that it has whetted our appetite to return and cycle more of the trails in the Hawkes Bay sometime in the future.

Thank you Greg and Sheryl for our great three days. Everything ran like clockwork.

We wish you well in the future of your tour business.

Warm regards

Sheryl Kerr
